WELCOME TO THE HOMEPAGE OF THE WIKIVERSITY ACCOUNTING DEPARTMENT!

A department of the School of Business

About Us

[edit \(https://en.wikiversity.org/w/index.php?title=Portal:Accounting/Intro&action=edit\)](https://en.wikiversity.org/w/index.php?title=Portal:Accounting/Intro&action=edit)

We are the Wikiversity Accounting Department, a group of people who are obsessed with credits and debits and think accounting is fun! Our goals are to develop the world's foremost source of free accounting knowledge, to educate all interested people about the accounting profession, and prepare those who are interested in accountancy with the skills and theoretical knowledge necessary to succeed. Please feel free to browse our pages, courses, and ask questions on our talk page. We are here for you!

Programs

It is projected that over time, both undergraduate and graduate programs will be developed. Within these programs, US and international tracks should be created, as well as review courses for popular exams. While not leading to a degree, they should be valuable to students or people reviewing for tests.
